## Education

### Parul University

*Bachelor of Science in Computer Science*

**Oct 2021 – May 2025**

*Vadodadra, Gujarat*

## About Me

I'm a versatile web developer skilled in frontend (JavaScript, Tailwind CSS, HTML) and backend (Node.js, Express). Proficient in SQL and MongoDB, I create responsive, performance-optimized websites. Experienced with Git, I excel in collaborative environments with strong communication and problem-solving abilities.

## Technical Skills

**HTML/CSS, Tailwind, JavaScript, SQL, MongoDB, React.js, Express, Node.js, GitHub**

## Projects

### TOUR AND TRAVELS WEBSITE | *HTML, CSS*

- Proficient in HTML and CSS, employing strong coding skills to develop a responsive tour and travel website.
- Adopted a mobile-first approach, ensuring optimal user experience across smartphones, tablets, and various devices.
- Emphasized user experience by prioritizing seamless functionality and intuitive navigation across different screen sizes and resolutions.

### CodeTypo | *TypeScript, JavaScript, Tailwind*

- Created CodeTypo, a specialized web platform designed for typing practice in coding languages like Java and Python.
- Employed JavaScript, ReactJS, HTML, CSS, Tailwind, and TypeScript to build interactive exercises and real-time performance tracking functionalities.
- Customized CodeTypo to cater to users aiming to improve their coding speed and accuracy through engaging typing activities.

### Portfolio Website | *JavaScript, React, Express, Node.js, MongoDB, Tailwind*

- Created a responsive personal portfolio website utilizing the MERN stack (MongoDB, Express.js, ReactJS, Node.js), showcasing proficiency in full-stack development.
- Implemented a Contact Me page integrated with MongoDB for secure storage and management of inquiry submissions, demonstrating expertise in database handling and backend development.
- Developed an About Me page dynamically displaying profile photos fetched from the GitHub API, showcasing skills in API integration and frontend development.
- Designed an interactive Terminal page, showcasing creativity and interactivity while demonstrating mastery of frontend technologies such as React.js and TailwindCSS.

## Leadership / Extracurricular

### Trek Leader

*Peakhickers India*

- Encourage and motivate participants, fostering a supportive and enthusiastic environment that enhances the overall trekking experience.
- Quickly and confidently make informed decisions in various situations, balancing safety, group needs, and environmental considerations.
- Address and resolve any conflicts or issues within the group promptly and effectively, maintaining a positive and cohesive atmosphere.

### Hostel MFF (My First Friend)

*Parul University*

- Provide guidance and assistance to students on the floor, addressing their concerns and fostering a friendly, inclusive environment.
- Ensure adherence to hostel rules and regulations, maintaining order and a respectful atmosphere.
- Facilitate open communication between students and hostel management, ensuring that any issues or feedback are promptly conveyed and addressed.
